Subject: Application for Permission to Start "ANVESHAN" Research Club

Dear Nikunj Sir,

I am writing to request your permission to establish a new research club named "ANVESHAN" under the Student Council of Galgotias University.

The purpose of "ANVESHAN" is to create a platform where passionate students can collaborate, conduct research, and engage in intellectual discussions on various subjects. This club aims to foster a culture of inquiry, critical thinking, and innovation among our peers.

We believe that by initiating "ANVESHAN," students will have the opportunity to delve deeper into academic interests, explore diverse research areas, and enhance their problem-solving skills.

We had already discussed this with our honourable "Vice Chancellor" sir, he is in favour of this club and he just want some students data who are interested.

We would like to take your permission to do a small marketing campaign in our University.

We assure you that "ANVESHAN" will adhere to all university guidelines and operate under the supervision of the Student Council. Our goal is to contribute positively to the academic environment of Galgotias University and promote a spirit of scholarly inquiry among students.

Therefore, I kindly request your support and approval to establish "ANVESHAN" as an official research club under the Student Council. Your guidance and encouragement in this endeavor would be immensely appreciated.

Best Regards

Students of Galgotias University [Tentative List Attached]
